Search Function

The Kindt Collins catalog is fully searchable. Every word in this catalog has been indexed, for your convenience. Use the binocular icon on your Adobe Acrobat main menu bar to access the search function.

Search Engine

Clicking on the binocular icon activates the searchable index of the catalog. Type in the desired word or term and click "find".

Search Tips

- Once the search is complete, Acrobat will highlight the found text in blue. the highlighted text may be obstructed by the search window, so drag the search window off to the side for a better view.
- If you'd like to cycle through all the found instances of the search, simply click on the "find again" button.

Be aware that "Acrobat Searches" cycle through the PDF from the point of entry.

So, if you have entered the PDF from a keyword search that has brought you to page 35 and would like to do another search of the same keyword, the search will pickup on page 36 and go to the end of the document. A window will then appear, asking if you'd like to continue the search from the beginning of the document. Click "YES" to continue your search throughout the entire catalog.
